In coming before the people we make no promise to sell Goods cheaper than they can be beught in New York. We do not enter into this business for the fun of selling goods under cost, but expect and hope to make money. We will sell goods at a fair and legitimate profit, and shall make it our aim to treat all alike. We propose by SQUARE and honest dealing to build up a trade that will be permanent. We do not hesitate to say that we will sell goods as cheap as they can be bought in the County.

In conclusion, we ask you to come and see us. Always glad to show our goods, whether you purchase or not. Remember, that we are located at the old stand—
